## From our Town Chairman

### Town Hall Rental Policy Change:

The Town Hall Rental Policy has changed. Some of the changes include; only town residents will be permitted to rent the town hall, there will be an extra fee for events allowing alcoholic beverages and the Town reserves the right to bill the Renter for any repairs, damage or replacement costs incurred. The new policy (as well as all other Town permits) can be found on the website at:

<http://www.townofkaukauna.org/forms/index.htm>

click on 'Town Hall Rental Agreement'.

### Vandalism:

Please report anyone throwing tires in ditches or any other types of vandalism. Recently the Town Hall has been victim to vandalism. The air conditioner units behind the hall have fallen victim to menacing pranksters. Someone thought it would be funny to shut off the air conditioners. This is not only very dangerous, but also may cause extreme damage to the units. There was also a window broken in the entrance of the Town Hall.

## WATER TESTING

TIM RESICK UW WISCONSIN - GROUNDWATER EDUCATION has an opportunity for Town Residents to have their water tested. He will provide bottles (at the Town Hall) and residents will drop their samples off back at the Town Hall. ## OLD STREET SIGNS

*SIGN, SIGNS, everywhere there's SIGNS. Blockin' up the scenery, breakin' my mind.*

Have you noticed? We have replaced the street signs in our town and have the old signs at the Town Hall. If you would like a street sign, please contact Lynn Gerrits; Clerk at 759-1677 and she will check if your sign is available for you to take.
